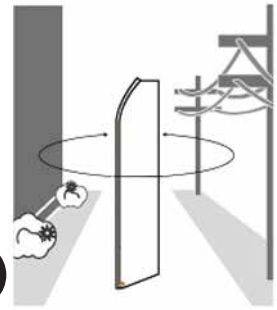
INSTRUCTIONS

Swooper Banners

Includes:
Straight Poles (3)
Bent Pole
Ground Spike
Eye Bolt Ring

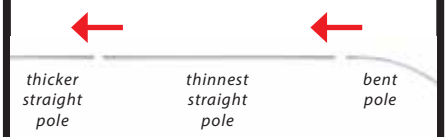


1

DO NOT install near trees, wires, poles or buildings.

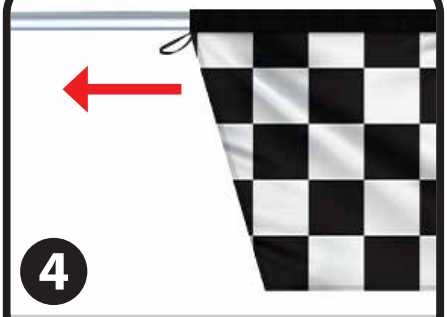
2

Install ground spike by hammering on the top of the main part of the steel rod with a rubber mallet (not included). **DO NOT hammer peg attachment.**



3

Arrange all poles from thickest straight pole to thinnest straight pole to bent pole and connect.



4

Starting at bent pole, slide banner onto assembled pole. Make sure to slide the pole completely inside the reinforced pocket at the end of the pole sleeve.

5

Slip sewn loop over the provided eye bolt and slide down pole assembly until taut. **DO NOT USE OR BEND ATTACHED HOOK.** Place assembled pole with banner into ground spike.

This product is for outdoor promotional use only and should not be left out in extreme weather conditions. Please use common sense guidelines and do not display this product outdoors when extreme winds or storms may be present.
